

Vinyl Suit

Step 1

- Outline suit with Lamp Black + Red Light
- Paint it Red Light leaving the highlight area

Step 2

- Apply the second layer with Red Light around the highlights and at the sides
- Soften the transition with Water

Step 3

- Paint it partially Red Light over the 1st step layer to smooth the contrast

Step 4

- Add Red Light + Lamp Black inside of the 2nd step layer
- Add highlights with White Gel Pen where it's meant to be
- Soften transitions with Water

Vynil Pants

Step 1

Step 2

Step 3

Step 4

Fill the Pants
with a flat
Black Color

Paint it again
except sides
and wrinkles

Apply Black
inside the
previous layer

Add highlights
in wrinkles and
in the central
part
