

High Waisted Empire Line

Empire silhouette

What is Empire silhouette

Empire silhouette, Empire line, Empire waist or just Empire is a style in women's clothing in which the dress has a fitted bodice ending just below the bust, giving a high-waisted appearance, and a gathered skirt which is long and loosely fitting but skims the body rather than being supported by voluminous petticoats.

The outline is especially flattering to pear shapes wishing to disguise the stomach area or emphasize the bust. The shape of the dress also helps to lengthen the body's appearance.
